

PAYMENT POLICY

The Company is financially responsible for clients account balance at any particular time.

Company's financial responsibility begins with the first data about the customer's funds deposit and continues up to the full spend of customer's funds. Client has the right to demand any amount of funds from the Company which is available in his account at the time of request. The only official ways of depositing and withdrawing are the ways which appear at the company's official website, telegram bot and official mobile apps in App Store and Google Play. Client takes all the risks related to the usage of the payment methods, this as to the fact that the payment methods are not partners of the company and not in company's accountability. The company is not responsible for any cancellation or delay of funds transaction which depends on the payment method. In case that client has any complaints related to any of the payment methods, it's in his responsibility to contact the support center of this payment method and to notify the company about those complaints. The Company will not be responsible for the operation of any third-party service providers, which the customer may use in order to make any deposit/withdrawal. The Company's financial responsibility for the Client's funds begins at the moment when the funds arrive to the Company's Wallet or any other account belongs to the Company and that appears at Payment Methods page of the website. In case any fraud appears during a funds transaction or after it, the Company reserves the right to cancel this transaction and to freeze the Client's account. The Company's responsibility as to the Client's funds ends at those moments when the funds leave the Company's Wallet or any other account belongs to the Company and that appears at Payment Methods page of the website. In case of any technical errors which may appear during the financial transaction the company saves the right to cancel those transfer and all other client's financial activity at the company's website.
